Our Vision

A covenant network of congregations in mission: We are the Body of Christ gifted and called in covenant together as Disciples of Christ to be centers of transformation on the new mission frontier of our own communities.

In covenant together, we are gifted and called to become true community by:

Building Trust through open and clear communication • Listening to one another’s hopes and dreams • Caring for one another in times of joy and of pain • Sharing our transforming experiences of Jesus Christ with our communities around us • Maintaining the highest level of ethical integrity • Helping to network our congregations’ effective ministries with one another • Finding ways to empower gifts of individuals, establishing clergy and laity as missional team leaders, and equipping them with the resources to do ministry • Taking advantage of the best communication tools available as they develop.

Because we are centers for transformation, striving to embody deep Christian Spirituality and seeking communion we will: Center our life together around the Lord’s table • Focus on vital, engaged worship in its variety of forms • Develop growing faith through training, mentoring and service in congregations • Engage stewardship in priorities and planning • Create mission experiences as opportunities for spiritual growth • Strive for openness to the work of the Holy Spirit!

On a new mission frontier, led by a passion for justice, we will: Be an anti-racist, pro-reconciling church, continuing to grow in faithfulness to the Gospel • Value local mission as inseparable from evangelism • Re-establish evangelism as a primary calling, in affirmation that our faith is desperately needed by the people of our communities • Hold each other accountable to Christ’s Great Commission to bear the Gospel in our world with integrity and authenticity • Commit to the inclusion of all people, without exception, in the life, functioning, and governance of the church
