Cultural Christianity Vs. Personal Spirituality

What the world views us to be & how we want the world to view us

Advance Ministry is the young adult ministry for the Christian Church in Ohio, Disciples of Christ. It is a place that provides young adults, persons ages 19 - 29 & out of High School, a place where they can enjoy a community of Christian friends and share their love, life, and fellowship.

This summer we'll be exploring Cultural Christianity Vs. Personal Spirituality. We'll be diving into topics like 'How Christianity Has Shaped American Society', 'Personal Spirituality', and 'How You as Members of the Christian Faith Shape Society Now'.

It'll be a week filled with new and old friends, games, songs (if you choose to sing them,) learning, and FUN!

Grab a few friends and come on down, over or up to Camp Christian the week of July 30 - August 6, 2017.
