

Volunteer Tasks, June 5, 2021 Work Day

*Here is a list of some of the specific tasks that need worked on around Camp Christian.
We hope that there is a task suited for a wide range of ages and abilities.*

- Clean out the cabin clusters. Chemicals/tools will be provided.
- Clean and organize the Free Store and back stock of donations to the Free Store.
- Set up green chair circles around camp, with 6' minimum distance between chairs. Must be able to lift and carry 40 lb.
- Repair screens/doors on Monroe Lodge (material/some tools will be provided, but bring your own tools too)
- Clean out gutters and downspouts on Monroe Lodge and cabin clusters (Ladder(s), gloves, and buckets will be provided). The gutter on the north side above the patio also is corroded through and needs repair or replacement. Material will be available for this repair. Gutters also need cleaning on the cabin clusters and admin.
- Run the scrubber over the great room floor in Monroe Lodge, strip spilled paint from some areas.
- General grounds cleanup (cut up some fallen trees, leaf cleanup, weed whacking, gather/split wood, trim some trees with the pole saw/loppers).
- Retrieve boats out of the pond and clean them up.
- Weed control, throughout Camp. A few sprayers are on-hand, but bring your own if you want! Chemical will be provided/premixed.
- Repair the soffit on the Ezerins' house above the entry doors (material will be provided).
- Move some soil and gravel into the muskrat-damaged areas of the pond bank (Operate tractor and loader)
- Repair blown-off hip shingles on the Dining Hall roof (shingles/nails provided)
- Hang new lighting fixtures in the Rec Hall/Canteen (Fixtures and AL-clad conduit on-hand, LED ballast-bypass T8 bulbs, Flex conduit clamps and anti-short bushings needed)
- Install culvert under the driveway to Monroe Lodge. The sidewalk acts as a dam and makes a pond, directing quite a bit of water to the house basement. (Sections of pipe are on-hand, will need to undermine or cut part of the sidewalk to get to the other side.) Even if only the trench across the drive is made, the rest can be done later.
- *More tasks may be identified between now and the Work Day*

If you would like to make a monetary donation to the supplies for the work day, you can do so at <https://www.ccinoh.com/donation.aspx> - Select "Other" as your designation and type in "June 5th Work Day." You can also mail a contribution by check to Camp Christian – 10335 Maple Dell Rd., Marysville, OH 43040.
