

Volunteer Tasks, May 20, 2023 Work Day

*Here is a list of some of the specific tasks that need worked on around Camp Christian.
We hope that there is a task suited for a wide range of ages and abilities.*

- Clean out the cabin clusters, gym, rec hall, and craft cabin. This includes wiping down the bunks, knocking down cobwebs, sweeping and mopping the floors, and dealing with any other “messes” found. Chemicals/tools will be provided.
- Clean and organize the Free Store and back stock of donations to the Free Store.
- Set up green chair circles around camp. Must be able to lift and carry 40 lb.
- Power wash decks on the cabin clusters and vesper spot benches. Bring your own power washer (and extension cords if electric), Camp has plenty of garden hose. Fuel for gasoline-operated units will be provided.
- Repair loose boards on cabin cluster decks, re-seat any popped nails on the decks and benches. Tools provided.
- Clean out gutters and downspouts on the gym and cabin clusters (A,B,C, and 1) (Ladder(s), gloves, and buckets will be provided, but feel free to bring your own). Cluster 1 has gutter guards, but these are in severe need of cleaning due to grit buildup. A ¼” hex socket driver is needed for this task to remove guards. Camp only has a couple of these drivers available, so bring one if you have one.
- General grounds cleanup (cut up some fallen trees, leaf cleanup, weed whacking on far side of pond, gather/split wood (tractor operation), trim some trees with the pole saw/loppers). Bring your own PPE (gloves, safety glasses, ear plugs/muffs).
- Clean up boats and PFD’s/life jackets
- Fill any groundhog holes or other tripping hazards around the property (a soil pile and UTV to haul dirt will be available)
- Coat roof on the well house (brush and material provided).
- Repair and paint vesper shed (all materials and tools provided).
- *More tasks may be identified between now and the Work Day*
